

# Engineering Process Timeline

Here are some important dates and information.

Thank you for all of your help!  
Amanda Middendorf

## Important Notes:

We recommend that there be no experiments that include the following: mold, bacteria, human testing or vertebrate testing.

**\*\* This is for the child's safety. However, if the parent will be helping this can be allowed.**

**\*\*If the teacher decides to allow these projects, there will be additional paperwork, as well as a review of the project.**

## Important Dates:

Week of November 4, 2020	Video of what is expected will be pushed out
Tuesday November 17, 2020	Teacher Approval Form Due
Tuesday December 1, 2020	Problem and Research are due
Tuesday January 12, 2021	The Design of experiment and procedure due
Tuesday January 19, 2021	Designs ideas, build a model or prototype, and evidence are due
Tuesday January 26, 2021	Prototype and evaluation of initial test and redefine of prototype due
Friday February 5, 2021	Professional display due today!
February 10, 2021 (Wed.)	Science Showcase Judging and display set up!
February 11, 2021 (Thurs.)	Science Showcase Judging

**Be sure to use the Science Timeline on the Sycamore website to help guide your students, parents as well as your own experiments. :)**
