

Scientific Process Timeline

Here are some important dates and information.

Thank you for all of your help!

Amanda Middendorf

Important Notes:

We recommend that there be no experiments that include the following: mold, bacteria, human testing or vertebrate testing.

**** This is for the child's safety. However, if the parent will be helping this can be allowed.**

****If the teacher decides to allow these projects, there will be additional paperwork, as well as a review of the project.**

Important Dates:

Week November 2, 2020	Video pushed out to families
Tuesday November 17, 2020	Teacher Approval Form Due
