

# Sycamore Elementary School

## 2021-2022 Supply List

### Kinder – 5th Grade

Thank you for the donations of supplies! Your generosity goes far in helping supply our classroom teachers with materials to enhance your child's education. **You'll notice that some grade levels have extensive lists; please donate what you can with no obligations.** As part of our efforts to maintain a safe and healthy learning environment, each student will be provided with their own individual supplies; there will be no communal supplies. Teachers will take donations and be responsible for distributing supplies to each student. It is absolutely appropriate if you would like to build your child's own "pencil Box" with the materials they will use on a daily basis. Again, teachers will use the other donated supplies to restock your child's individual materials throughout the year. We also acknowledge that some supplies may not be readily available. We look forward to a healthy start to the 21-22 school year.

Ken Graff  
Principal of Sycamore Elementary

### Kinders

#### Needed Supplies
