Welcome Back Night 2021-2022

Wednesday, July 14 from 4:00 pm - 6:00 pm

**Walk-through visits to your child's classrooms.
Meet our PTA Board & visit the Food Trucks!**

Sycamore staff and teachers are excited to return for in-person learning for the 21/22 school year. To respectfully avoid the congregation of large groups, Sycamore will hold walk-through classroom visits between 4-6 pm on Wednesday, July 14th. It's the perfect opportunity to show your child their classroom, meet their teacher, meet our Specialist Teachers, and tour other areas of the campus including our library, MPR and playground.

In addition, classroom teachers will prepare a welcome video which will include an introduction of themselves, an overview of their classroom expectations, grade level curriculum, and provide additional information about your child's classroom. The video link will be sent home to members of the class prior to the Welcome Back Night.

Sycamore's AMAZING PTA will have a table where you can purchase Sycamore t-shirts and other accessories. PTA has also arranged for food trucks and the Vail Coffee Stop beverage truck.

Are you interested in serving on the Site Council? Sycamore will have **two** open seats on the Site Council this year. The Sycamore Site Council serves in an advisory capacity to the principal. Any parent/community member who resides within the Sycamore attendance boundary is eligible to run for a seat. Please email me at graffk@vailschooldistrict.com if you are interested by **Friday, July 16th** and send me a brief summary introducing yourself and why you are interested in serving as a member of the Site Council. During the week of July 19th, an electronic voting ballot will be sent out to parents with your bio information for parents to vote. The two successful candidates will be notified the following week.

Please know how much we value your support and look forward to a great in-person 21/22 school year! Have a relaxing and safe rest of your summer!

Respectfully,
Ken Graff
Principal
